

Poor attendance is a dream killer regarding All Star Nationals routine upgrades (primarily pyramid upgrades) as we head into our final 14 Wisconsin practices prior to departing for Orlando.

Looking at our attendance reporting form as of 11:15am on January 21st ...

Shark Bait - we will have full team attendance at 13 of the 14 remaining WI practices.

Hang Ten - we will have full team attendance at 11 of the 14 remaining WI practices.

Surfer Gurlz - we will have full team attendance at 10 of the remaining 14 WI practices.

Our teams will face their stiffest competition of their entire cheerleading careers at All Star Nationals. Please make 'Ohana Athletics a priority and avoid scheduling personal events on practice days. We have so much hope for our teams!

Thank you for your support!
