- Arrival Time
 - Doors Open for Spectators at 8am
 - When athletes report to Coaches per the schedule above, they are fully ready to go from head to toe. Parents will hold onto jackets, backpacks, etc.

- If your athlete is late, she will not perform with her team!
- Being late stresses EVERYONE out in what is already a stressful situation. Please be on time.

- Dress code
 - Full competition dress code: uniform top and skirt, no show white socks, cheer shoes, white competition bow with full teased competition hair, make-up.
 - Athletes must be in competition dress code from head to toe for awards. Remove any hoodies, jackets, pants, etc. Do not take out your ponytail, remove make-up, add jewelry, etc. We will take a large gym photo after awards then separate team photos.

- Misc
 - This is the competition we must perform at to officially qualify for All Star Nationals. To qualify means to earn a specific number of points to attend. Once I have the scoresheets, I will review the scores (privately with coaches and not in front of the athletes), and will then make the formal announcement to everyone - hopefully in person after the awards ceremony.
 - During awards, they will also give out Golden Tickets to the U.S. Finals, which is an event we have on our schedule for teams that earn a Golden Ticket (April 13th at Hoffman Estates, IL).
 - Prep teams can also earn bids to a Regional Summit. Our closest Regional Summit is April 20th in Indianapolis, IN. I must declare our intention to accept a Regional Summit bid at team check-in. If for any reason your athlete CANNOT attend the Regional Summit on April 20th in Indianapolis, please email me at aloha@ohana262.com by November 3rd so I can accurately declare each team's intention. The Regional Summit is a prestigious event - I didn't have it on our calendar as I was unaware Prep Teams were eligible to attend but would be honored to take our teams if a bid is earned.

Sunday November 5th Practice

- Teams will earn a special Disney Themed Practice upon qualifying for All Star Nationals. Athletes and coaches will be encouraged to dress up in their best Disney outfits on Sunday November 5th!
- If a team HITS ZERO at the Peoria Challenge, they will also earn a reduced practice on Sunday November 5th!

- Shark Bait - 2:30 - 3:30pm only
- Hang Ten - 3:30 - 4:30pm only
- Surfer Gurlz - 1:30 - 2:30pm only
- Wipeout - No practice on November 5th
- Sunday's practice is not an optional practice. Absences will be documented.
